CAPABILITY STATEMENT · FEDERAL, STATE & COMMERCIAL IT SERVICES

COMPANY OVERVIEW

Vinsys Information Technology Inc. is a minority-owned, service-disabled veteran-owned small business with 20+ years of IT delivery experience. Headquartered in Sterling, Virginia with an offshore delivery center in India, Vinsys serves federal agencies, state governments, and commercial enterprises as both prime contractor and strategic subcontractor. The firm fields certified professionals across cloud, cybersecurity, DevSecOps, AI/ML, and enterprise application management with CMMI Level 3 and three ISO certifications.
